

# PUBLIC & AGENCY INVOLVEMENT

## Purpose of Study

1. Identify vision and goals for the Camp Ripley/Veterans State Trail
2. Identify and evaluate general trail alignment locations for both motorized and non-motorized trail uses
3. Develop study recommendations and next steps to implement the trail plan
4. Integrate the corridor study with the required DNR Trail Master Plan process. The corridor study is the first step in developing a master plan for the state trail. The DNR is responsible for developing state trail master plans.

\* Includes Cities of Little Falls, Randall, Pillager, Baxter & Brainerd
