## 2005 Utility & Street Improvements Construction Newsletter

### ◆ PROJECT COMPLETION

- ◆ The construction warranty period for the 2005 Utility and Street Improvements Project will be expiring in a few months. The project area will be reviewed to determine if any warranty work is needed. However if you know of work that needs to be done on your property and have not yet contacted the City of Le Sueur or Bolton & Menk, please do so as soon as possible. We will come out and look at your property to determine what warranty work needs to be done.

### ◆ PROJECT CONTACTS

- ◆ Jim Voda from Chard Tiling and Excavating is the project manager for the contractor. Jim can be reached through Chard's office at 952-873-6152. However, we encourage those with project concerns to direct them through the engineering contacts.
- ◆ The engineer for the project is Bolton & Menk, Inc.
  - ◆ **Ryan Guritz** from Bolton & Menk will be representing the City during the final construction activities. He will be providing construction observation and coordination. You may approach him when he is on site or call him on his cellular phone at **507-995-2914** with any warranty items, questions or comments you may have.
  - ◆ Owen Todd from Bolton & Menk is the project manager and consultant city engineer for LeSueur. You may call Owen at 507-625-4171, or e-mail him at [owento@bolton-menk.com](mailto:owento@bolton-menk.com).
  - ◆ Driveway warranty outside street right-of-way, for concrete driveway warranty beyond the right-of-way contact DJ Siehndel at 665-2619, (ask for Dean). For bituminous driveway warranty beyond the right-of-way contact Ideal Paving at (952-873-6152) ask for Curly Thomas.
