2005 Utility & Street Improvements Construction Newsletter

◆ CURRENT CONSTRUCTION

- ◆ Chard is near completion of all major areas of construction. They still need to complete sod installation, which is scheduled for October 31st. Also South Fourth Street gets extended by 100' with curb and gutter and bituminous. After the sod is placed they plan on completing punchlist items, which include signs, mailboxes, site clean up, and misc. items.

◆ PARKING, ACCESS, DETOURS, AND WORKING HOURS

- ◆ Parking within the project limits along Turril Street, Elm Court, and Sixth Street will be limited during construction.
- ◆ Traffic on Turril Street will be detoured for a period of time during construction. Local traffic will be allowed to use Turril Street for access to homes during the detour. Construction hours will be 7:00 am to 7:00 pm. Access may be limited during working hours. Weather may also affect the access to driveways.
- ◆ Access will be maintained for emergency vehicles.

◆ PROJECT SAFETY

- ◆ Please continue to use caution around the working areas.

◆ MAIL DELIVERY

- ◆ The post office will work with the contractor to deliver mail to your existing mailbox.

◆ PROJECT NEWSLETTER

- ◆ This bi-weekly newsletter will be posted on Bolton & Menk, Inc.'s website. The website address is as follows:
 - ◆ Bolton & Menk, Inc. – www.bolton-menk.com (click on the Clients Zone link and then on the City of LeSueur link)
- ◆ If you would like to receive this newsletter by e-mail, please send an e-mail to Owen Todd at Owento@bolton-menk.com. Those residents along the project who do not have access to the internet or e-mail, will continue to have the newsletter mailed out to them.

◆ PROJECT CONTACTS

- ◆ Jim Voda from Chard Tiling and Excavating is the project manager for the contractor. Jim can be reached through Chard's office at 952-873-6152. However, we encourage those with project concerns to direct them through the engineering contacts.
- ◆ The engineer for the project is Bolton & Menk, Inc.
 - ◆ Brandon Fitzpatrick from Bolton & Menk will be on site representing the City during construction. He will be providing construction observation and coordination. You may approach him on site or call him at 507-380-9943 with any questions or comments you may have.
 - ◆ Owen Todd from Bolton & Menk is the project manager and consultant city engineer for LeSueur. You may call Owen at 507-625-4171, or e-mail him at owento@boltonmenk.com.
