2006 Utility & Street Improvements Construction Newsletter

◆ CONTRACTORS SCHEDULE

Contractors Edge and their subcontractors will be working over the next couple of weeks to complete some minor repairs and adjustments prior to placement of the final layer of bituminous. Once a date for placement of the final layer of bituminous has been confirmed with the paving subcontractor, a newsletter will be provided to discuss access and parking needs.

◆ PROJECT NEWSLETTER

This weekly newsletter will be posted on Bolton & Menk, Inc.'s website, www.bolton-menk.com (click on the Clients Zone link and then on the City of LeSueur link)
