## **CURRENT AND UPCOMING WORK**

GM Contracting has completed the sewer and water services along 3<sup>rd</sup> Street north of the RR tracks. Next week they plan to work on storm sewer along 3<sup>rd</sup> Street north of the RR tracks, then move to 2<sup>nd</sup> Street South of the RR tracks to begin installing water main there.

Recent rains have slowed the installation of aggregate along 2<sup>nd</sup> Street north of the RR tracks. It is expected that aggregate will be hauled in starting next week, weather permitting. WW Blacktopping will begin removals along 2<sup>nd</sup> Street south of the RR tracks, adjacent to Uncle Albert's and the Eagle's Nest on Monday or Tuesday next week. Access to the Eagle's Nest will be maintained off 3<sup>rd</sup> Street, however, parking along the west side of Uncle Albert's will not be available.
