RE: Geotechnical Exploration and Review  
Linda Drive Extension  
Eagle Lake, Minnesota  
AET Project No. 08-09589

Dear Mr. Malm:

American Engineering Testing, Inc. (AET) is pleased to present the results of our subsurface exploration program and geotechnical engineering review for your Linda Drive Extension project in Eagle Lake, Minnesota. These services were performed according to our proposal to you dated March 8, 2010.

We are submitting five (5) copies of the report to you.

Please contact me if you have any questions about the report. I can also be contacted for arranging construction observation and testing services during the earthwork phase.

Sincerely,  
**American Engineering Testing, Inc.**
