FOWLDS RECEIVES WILLIAM S. KELLY AWARD

Bolton & Menk, Inc., Consulting Engineers and Surveyors, is pleased to announce that Ms. Janelle Fowlds, L.S. was the recipient of the William S. Kelly, Jr. Community Service Award from the Minnesota Society of Professional Surveyors (MSPS). This award is given to a MSPS member who has contributed greatly to the community and has served the Society over a long period of time in a specific category. Ms. Fowlds was recognized for her long involvement in the MSPS Chapter One TrigStar Program. This program introduces practical applications of trigonometry and careers in land surveying to high school students.

Ms. Fowlds is a Licensed Professional Surveyor working out of the Mankato office, and has been with the firm for 12 years. Ms. Fowlds holds a B.S. Degree in Civil Engineering from South Dakota State University –Brookings and is licensed to practice in Minnesota, Iowa, South Dakota and North Dakota.

Bolton & Menk, Inc., ranked in the Top 500 Engineering Firms by *Engineering News Record* (ENR), provides services in the areas of civil and municipal, water and wastewater, water resources, traffic and transportation engineering. The firm also provides environmental review, land surveying and mapping services. Our staff of nearly 250 professionals and technicians is available to assist clients in meeting the ever-increasing demand for quality engineering and surveying services. Having corporate offices in Mankato, the firm also operates offices in Sleepy Eye, Burnsville, Willmar, Chaska and Ramsey, Minnesota.
