HAEFNER APPOINTED FARIBAULT COUNTY SURVEYOR

A licensed land surveyor from Bolton & Menk, Inc. has continuously served as the appointed Faribault County Surveyor since 1965. Bruce Firkins, Vice President of the firm, has fulfilled that appointment for the past 30 years. Mr. Joe Haefner, the successor to Mr. Firkins as Fairmont Office Survey Manager, was appointed County Surveyor by the Faribault County Board in early September.

With nearly ten years of experience, Mr. Haefner oversees all professional surveying activities in the Fairmont office of Bolton & Menk. His experience includes boundary, topographic, and engineering design surveys, construction staking and ALTA/ACSM Land Title Surveys. He is a graduate of St. Cloud State University with a Bachelor of Science degree in Land Survey Mapping Science, obtaining his professional licensure as a Land Surveyor in 2004. Joe is a member of the Minnesota Society of Professional Surveyors.

Bolton & Menk, Inc., ranked in the Top 500 Engineering Firms by *Engineering News Record* (ENR), provides services in the areas of civil and municipal, water and wastewater, water resources, traffic and transportation engineering. The firm also provides environmental documentation, land surveying and mapping services. With an office in Fairmont since 1962, our staff of over 275 professionals and technicians is available to assist clients in meeting the ever-increasing demand for quality engineering and surveying services.
