### **NELSON JOINS BOLTON & MENK'S AVIATION GROUP**

Bolton & Menk, Inc., Consulting Engineers and Surveyors, is pleased to announce that Jeff Nelson joined Bolton & Menk's Burnsville Office as an Airport Specialist. Mr. Nelson brings the firm experience working as a previous Flight Instructor for three different aviation entities, as well as an Asset Developer/Drafter/Associate Compiler for Boeing/Jeppesen.

Mr. Nelson holds a B.S. Degree in Aeronautics with a major in Commercial Aviation and a B.A. Degree in Anthropology from the University of North Dakota, Grand Forks. Mr. Nelson is also a commercial pilot with a single engine and multi-engine rating. Mr. Nelson will provide additional support in airport planning, design and construction as well as airport management for the firm's aviation clients.

Bolton & Menk, Inc., ranked in the Top 500 Engineering Firms by *Engineering News Record* (ENR), provides services in the areas of municipal, environmental, and transportation engineering together with water resources and land surveying services. Established in 1949, our staff of over 250 professionals and technicians is available to assist clients in meeting the ever-increasing demand for quality engineering and surveying services. With the corporate office in Mankato, the firm also operates offices in Fairmont, Sleepy Eye, Burnsville, Willmar, Chaska and Ramsey Minnesota, and Ames, Iowa.
