### **WINTER PASSES THE LEED® AP EXAM**

Bolton & Menk, Inc., Consulting Engineers and Surveyors, is pleased to announce that Travis Winter, P.E. recently passed the LEED® AP (Leadership in Energy and Environmental Design – Accredited Professional) exam administered by the Green Building Certification Institute (GBCI). Mr. Winter completed his Undergraduate degree in Civil Engineering from North Dakota State University and is a Project Engineer in the firm's Burnsville office. The LEED® AP program is designed to promote the five key areas of human and environmental health: sustainable site development, water savings, energy efficiency, materials selection, and indoor environmental quality. The certification signifies that he has the knowledge and skills necessary to demonstrate the practice and principles of the program, and is familiar with LEED® AP requirements, resources, and processes.

Bolton & Menk, Inc., ranked in the Top 500 Engineering Firms by *Engineering News Record* (ENR), provides services in the areas of civil and municipal, water and wastewater, water resources, traffic and transportation engineering. The firm also provides environmental review, land surveying and mapping services. Our staff of nearly 250 professionals and technicians is available to assist clients in meeting the ever-increasing demand for quality engineering and surveying services. Having corporate offices in Mankato, the firm also operates offices in Sleepy Eye, Burnsville, Willmar, Chaska and Ramsey, Minnesota and Ames, Iowa.
