YAHNKE RECEIVES FOUNDERS AWARD

Bolton & Menk, Inc., Consulting Engineers and Surveyors, is pleased to announce that Mr. Kelly Yahnke was named recipient of the firm's 2009 Founders Award. Mr. Yahnke is a Design Review/Construction Engineer for the Environmental Division, working out of the Burnsville office, and has been with the firm for over 25 years. He attended South Dakota State University where he graduated with a Bachelor of Science in Civil Engineering. His duties with Bolton & Menk include design and construction management for a wide range of water and wastewater projects for many of Bolton & Menk's environmental clients.

The Founders Award, presented annually, honors the firm's founders, John Bolton and Martin C. Menk, Jr. It recognizes an individual's initiative, commitment to quality and client satisfaction as well as other outstanding contributions to the success of the firm. John and Martin believed that a business is truly successful when people are committed to its goals, represent the firm well to their community, and are dedicated to meeting client needs.

Bolton & Menk, Inc., ranked in the Top 500 Engineering Firms by *Engineering News Record* (ENR), provides services in the areas of civil and municipal, water and wastewater, water resources, traffic and transportation engineering. The firm also provides environmental review, land surveying and mapping services. Our staff of 250 professionals and technicians is available to assist clients in meeting the ever-increasing demand for quality engineering and surveying services. Having corporate offices in Mankato, the firm also operates offices in Sleepy Eye, Burnsville, Willmar, Chaska and Ramsey, Minnesota.
