

2017 Street and Utility Improvements Project Newsletter

JUNE 23, 2017

PROJECT OVERVIEW

Major improvements of 2nd Street West and 3rd Avenue South from Fremont Avenue to Main Street will take place. This involves reconstruction of sanitary sewer, watermain, storm sewer, concrete sidewalks, concrete curb and street pavement. Additional storm drainage improvements are planned west of 2nd Street West with accommodations for storm sewer collections on 1st Avenue South and 2nd Avenue South.

UPCOMING WORK

Week of June 26

Sanitary sewer and watermain replacement will continue Monday beginning at the intersection of Main Street and 3rd Avenue South working west. Temporary water will be connected to residents' homes. Private Utility Connexus Energy will continue relocations throughout the week.

Week of July 3: Happy 4th of July!

No work is proposed on Monday, July 3rd or Tuesday, July 4th.

During the week, underground utility work is proposed to begin on 2nd Street S. *The contractor may be working on Saturday, July 8th due to the July 4th holiday.*

Week of July 10

Underground utility work will continue on 2nd Street S.

Week of July 17

Utility work continued service connections and storm sewer

Please note that construction schedules and operations are controlled by the Contractor and are subject to change based on weather and construction progress.

IRRIGATION LINES

Irrigation lines within work area. Residents encouraged to contact Project Representative to coordinate repairs.

MAIL

Mailboxes within the project area (2nd St. W. and 3rd Ave. S.) will be given a temporary mailbox placed on 1st Ave. S. at 2nd St. W.

GARBAGE

Residents are asked to please bring garbage cans to the street edge just like normal. The Contractor is in communications with haulers to coordinate pickup and access.
