Zenke, Inc.  
La Crescent, MN

## Project Timeline

Road removals have been completed throughout the remaining project area and the contractor has started grading on Grove Street between Prairie and Burr Oak. **Prairie Street is now open for through traffic.** The Grove and Burr Oak Street intersection is closed as underground utility work continues along Grove Street from Burr Oak to Money Creek. Utility work will also begin on the segment of Burr Oak Street north of Grove. **Access to Circle Drive will be occasionally blocked** during work on Burr Oak Street. Affected residents will be notified in advance of any closures.

Please remember this schedule is subject to change and weather dependent.

## Contacts

Drew Weber will be on site throughout the summer and will serve as the primary contact during construction. **Drew can be reached at 507-469-0306 or [drew.weber@bolton-menk.com](mailto:drew.weber@bolton-menk.com).**

Additional information about the project can be found on the project website: <https://www.bolton-menk.com/rushford2019>
