Sewer and Water Piping  
**Alcon Construction**  
Rochester, MN

Water Tower and ADA Improvements  
**General Construction Services**  
Somerset, WI

## Project Update

Construction is expected to begin on the sewer and water piping project in the next week or two. Alcon Construction from Rochester is planning to begin removal of the exiting asphalt pavement on Stage 1 of the project first, then begin sanitary sewer removal along 3<sup>rd</sup> Street, starting at the intersection of Main Street (CR 1).

A Public Informational Meeting was held on 7-29-20. The presentation from that meeting can be accessed on the website referenced below. A video of what you can expect during construction, can be viewed here:

[https://www.youtube.com/watch?v=iyFh4\\_3VpGY&t=46s](https://www.youtube.com/watch?v=iyFh4_3VpGY&t=46s)

## Contacts

A project website has also been set up and can be accessed here: [www.bolton-menk.com/ostrander2018](http://www.bolton-menk.com/ostrander2018). **You can sign up for weekly construction updates through e-mail or text on the website (it was recently updated so if you tried previously, visit the site again).**

If you have questions or concerns at any time, please contact Brian Malm or Steve Vrieze at the phone numbers or emails address listed.
