

2020 Street & Utility Improvement Newsletter

Newsletter No. 2 – December 3, 2019

Project Schedule:

Planning –Fall 2019

Design – Winter 2019/2020

Construction - Summer 2020

Update

At its November 12 meeting, the City Council decided to proceed with the following improvements:

- Hillcrest Second Addition – Street & Utility Reconstruction
- 2nd Street Southwest – Street & Utility Reconstruction
- Mill and Overlay improvements- Various Streets

The location map on page 2 shows the project locations.

For the Hillcrest area, the Council decided not to add sidewalk. The engineers are now in the process of preparing plans and specifications for the improvements so that bids can be taken later this winter.

A second neighborhood informational meeting to discuss design details is tentatively scheduled for February 18, 2020. More information about this meeting will be available at a later date.

A website containing additional information about the project can be accessed here: <https://www.bolton-menk.com/plainview2020>. The website includes an overview of the project, proposed project schedule, project contact information, copies of various documents and presentations that have been prepared, and copies of newsletters that have been sent out.

Contacts

If you have questions about the proposed project, please contact the City Engineer, Brian Malm at 507-381-7511, or brian.malm@bolton-menk.com.
