

## **PUBLIC WORKS NOTICE**

### **Refuse & Recycling Pickup**

Please have your garbage and recycling cans out and accessible for pickup by 6 a.m. on pickup day so the truck can come through the neighborhood before construction starts at 7 a.m. If necessary, the contractor will pull cans out to an accessible area for the trucks to pick up if they can't get down your street. The contractor will then return your garbage and recycling cans to your driveway. You just have to put your cans in the same spot as you normally would on pick up day. As a reminder, your refuse/recycle carts should always be out by 6 a.m. on your pick-up day, not only during construction. Thank you for your cooperation.
