# Public meeting cancelled? No problem!

The Project Communication Team has digital meeting tools to help keep your project on track! Reach out to Nicole Schmidt to discuss how we can create a tailored approach for your project.

## Surveys

Ask key questions and get project feedback from the public.

## Short videos

Prepare a short video message to communicate where you are at in the project.

## Recorded PowerPoint presentations

Share your slides with a guided voice-over to give a personal touch to presentations.

## Facebook Like

Go live on Facebook to give participants a real-time experience.

## Email blasts

Share information with project subscribers and promote other ways to get involved.

## InputID

Allow participants to place comments on a map or comment on alternatives.

## Digital polling

Go beyond traditional surveys with a live digital poll.
